

Alumni NEWS

Hello August!

Let's fill this month with serenity and FUN.
Send in some pictures to Rebekkah at (916) 291-7211,
and she'll make a collage at the end of August of all
the sober fun that's been happening this summer.

Event:

Due to there not being enough water on the river, we had to cancel the Float Trip. In place of that, we had a drive-in movie night to watch 'The Haunted Mansion.' Saturdays may not be the best times for everyone, so we will try some more events on Fridays or during the week.

Upcoming Events:

Brought back by popular demand, it's
Bowling Bash Pt. 2 coming up August 11, 4pm-6pm.

Keep letting me know what you all are
interested in! The fun is for YOU!

Wednesday Meetings:

Our meetings are GROWING!

I'm so glad to see everyone come together and
form a fellowship in our growing Alumni community.
You guys make this miracle group happen!

Residential:

If you have any fun event ideas to do with residential,
please reach out to Rebekkah and she will see what
she can do! 916-291-7211.

Employees:

Employee of the Month: Jose Urias

Congratulations, Jose, and thank you
for all that you do!
