

## MARCH NEWSLETTER

### ICYMI

Sacramento's annual Spring Fling Conference of Alcoholics Anonymous took place on the first weekend in February. With 10 main speaker meetings, H&I panels, Al-Anon meetings, Big Book Studies, and round-the-clock marathon meetings held throughout the weekend there was not a dull moment. This year's event included yoga, stand-up comedy, a dance with karaoke, a viewing of the AA archives, a recovery market for all of our souvenir needs, and A GROUP OF FAIR OAKS ALUMNI! It was an amazing experience to sit down to the Saturday night main speaker event and do a birthday countdown with 20 alumni in the audience around me. I hope you will consider marking your calendar for next year's event which will be the first weekend of February (the 6th -8th) I will be there and hope you'll join me!
